**About this item**

- Chromebook runs on Chrome OS - an operating system by Google that is built for the way we live today. It comes with built-in virus protection, updates automatically, boots up in seconds and continues to stay fast over time. (Internet connection is required).
- All the Google apps you know and love come standard on every Chromebook, which means you can edit, download, and convert Microsoft Office files in Google Docs, Sheets and Slides
- With the Google Play Store, you can access a rich library of apps, games, music, movies, TV, books, magazines, and more, all from your Chromebook.
- Chromebooks come with built-in storage for offline access to your most important files and an additional 100GB of Google Drive space to ensure that all of your files are backed up automatically
- Acer Chromebook 512 Comes with - Intel Celeron N4020 | 12.0" HD plus (1366 x 912) IPS Display | 4GB LPDDR4, | 32GB eMMC | Intel Wireless-AC 9560 802.11ac Gigabit WiFi 5 | MIL-STD 810G
