About this item

- Webcam comes with a 3-month XSplit VCam license and no privacy shutter. XSplit VCam lets you remove, replace and blur your background without a Green Screen.
- Full HD 1080p video calling and recording at 30 fps - You'll make a strong impression when it counts with crisp, clearly detailed and vibrantly colored video.
- Stereo audio with dual mics - Capture natural sound on calls and recorded videos.
- Advanced capture software – Create and share video content easily with Logitech Capture.
- HD lighting adjustment and autofocus - The C920x automatically fine-tunes to the lighting conditions to produce bright, razor-sharp images even if you're in a low-light setting.
- Mic range - Up to 3 feet (1m)
