

Kasa Outdoor Smart Plug, Smart Home Wi-Fi Outlet with 2 Sockets, IP64 Weather Resistance, Compatible with Alexa, Google Home & IFTTT, No Hub Required, ETL Certified(EP40)

- Individual Control of 2 IN 1 Outlets: 2 AC outlets are working and controlled independently. 15A/1875W Max for each. Waterproof cover is attached to protect it from dirt when not in use. Long Wi-Fi range up to 300 feet with IP64 weather resistance.
- Voice & Remote Control: Add voice control to any outdoor outlet. Enjoy the hands-free convenience of controlling any outdoor electronic appliances with your voice via Alexa or Google Home Assistant. Turn electronics on and off from anywhere with your smartphone using the Kasa app, whether you are at home, in the office or on vacation.
- Easy Set Up and Use: 2.4GHz Wi-Fi connection required. Plug in, open the Kasa app, follow the simple instructions and enjoy the wifi smart plug. Ideal for landscape lighting, swimming pool pumps, holiday lights, or other appliances.
- Scheduling: Use schedules or countdown timer to set your smart plug to automatically turn on and off at the time you want. Sunset/sunrise offset makes it even smarter to act according to the real daytime.
- Trusted and Reliable: Kasa is trusted by over 6 Million users and being the Reader's Choice of PCMag 2020. 2-year warranty
